Re: Surcharge Fee Guidelines

Date: September 1, 2006

Thank you for supporting the log home over the past four years. We appreciate and are encouraged by the frequency of usage, but are challenged by the upkeep and rising operating cost of the property. Therefore, in order to meet the financial challenge of our added expenses, we are adding a much-needed “surcharge” fee. This new fee is in addition to our already established rates.

THE SURCHARGE FEES WILL APPLY FOR ALL RENTAL FOR THESE DATES:

Now – December 31, 2006

\$75 Surcharge Fee

January 1, 2007 – December 31, 2007

\$125 Surcharge Fee

Starting January 1, 2008

\$175 Surcharge Fee

Single Surcharge fee for all Wednesday’s, and Saturday’s rentals.

Double Surcharge fee for all Holidays rentals.

A **Reservation Request Form** must be used for all future rentals. The surcharge fee and equipment rental information are included on the **Reservation Request Form**. Please feel free to share this form with others. Simply complete the form and submit it to the contact information below. Remember, there will be no more booking reservation without completing this reservation form.

We look forward to you and your family’s continual usage of the improved log home. Again, you are encouraged to book years in advance because dates will be more competitive in the future than in the past.
